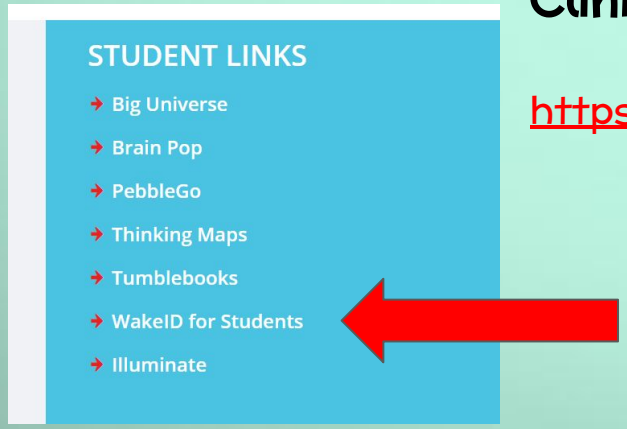
Accessing Wake ID and Educational Apps

Go to the Morrisville Elementary website
https://www.wcpss.net/morrisvillees
Scroll down to the right side on the web page and you will see Student Links. Click WakeID for Students.



Clink link for video instructions.

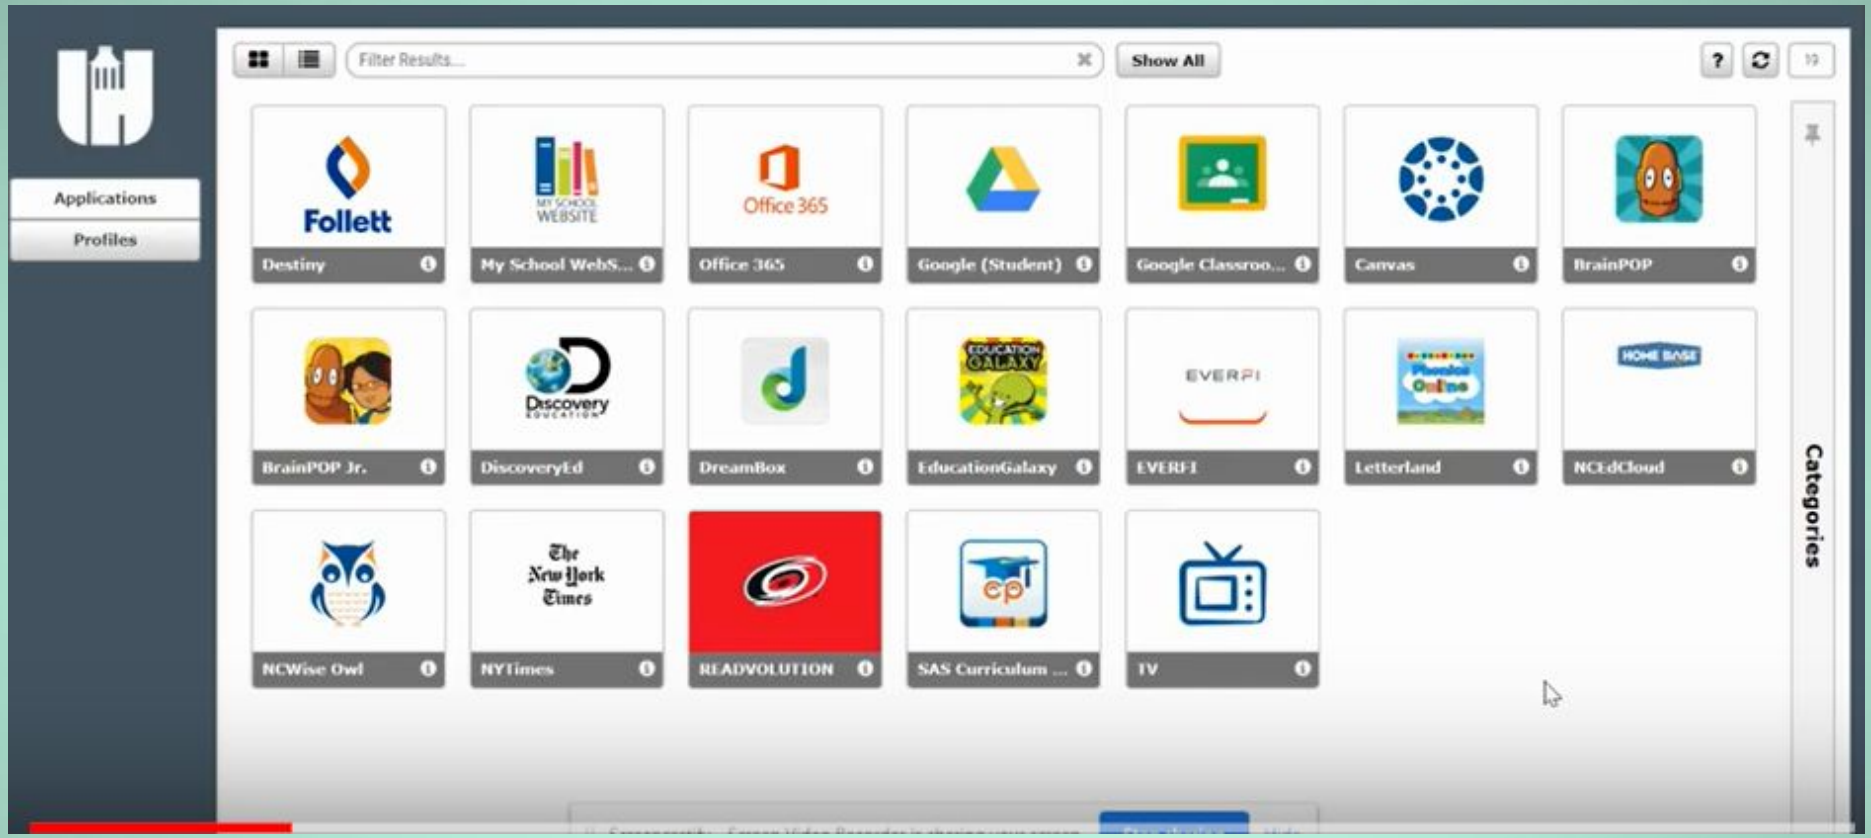
Use the drop down box to choose student.
Then, type in child's wake id number also known as lunch # and password. They created their own password.
If they do not remember and need help, let me know and I can reset passwords.



This is what your child should see when they log in to their Wake ID. Here they can access Dreambox, Education Galaxy, Brainpop/Brainpop jr videos, and Google Classroom.
